**Tuition for kindergarten:** \$2,800.00 per year or ten monthly payments of \$270.00. We regret that the kindergarten student's tuition cannot count toward the reduction rates for additional students between the grades of 1 and 12.

There is a monthly discount of 10% for families who are tithing members of the Bible Baptist Church from the previous month and whose account is current by the 25<sup>th</sup> of the last month.

The first bill is issued on Monday, August 1, 2017, and the last bill on the ten-month payment plan is issued on Monday, May 1, 2018. On the twelve-month plan the last bill is issued on Monday, July 3, 2017.

No transcripts will be issued to any other institution or reenrollment granted until all prior charges are paid in full.

The parents with two or more children may elect to chose either the 10-month or the 12-month plan.

## **Special Discounts Available**

There is a 5% discount for a full year's tuition, after all discounts have been applied, that is paid by December 31, 2017.

For each new family who enrolls a student by December 31, 2017, the referring family will be granted a certificate that will provide a credit of \$270 .00. After that date a family will be awarded a certificate for a credit of \$100 .00.

## **Additional Charges (per child)**

Registration Fee:	Per Student
If paid by June 30, 2017	\$60.00
If paid by July 31, 2017	\$75.00
After July 31, 2017	\$95.00

Students who enroll during the second semester of 2017-2018 will be charged a registration fee of \$60.00.

**Curriculum Fees:** Students will be billed as their curriculum (PACES) is issued to them. This charge will appear on the monthly invoice issued to parents. The average cost of curriculum for students should be somewhere between \$190.00 and \$250.00. It could be less or more depending on the individual student.

**Yearbook Fee:** \$15.00 per family per year. Each family will receive one yearbook (more may be ordered).

**Late Charges:** A \$35.00 late charge will be made for each month tuition is late or the amount owed is not paid in full. If the balance on the account is not current by the 25<sup>th</sup> of the month, then the account will be charged the late fee. Those accounts which are in arrears will not be eligible for any discounts.

**Other Charges:** There are monthly charges for those students taking foreign language instruction (please contact the school for the exact billing). Each child is asked to purchase shirt for physical education classes and the charge is approximately \$8.00. There may be fees for field trips (parents will be notified about these with as much notice as is practical). Students attending the *Student Convention* in April will be asked to contribute to the costs involved. Bible, reading and music classes may require additional textbooks.

**Enrollment Note:** At the time of enrollment (when application forms and registration fees are submitted), the applicant will be required to furnish a valid credit card. If payment is not received for all school bills by the 10<sup>th</sup> of the following month, the outstanding balance will be charged to that credit card.
